EXOTIC VACATIONS

Best Places to Travel in October

POSTED AUGUST 6, 2015

Think Halloween is only the celebration in October? Think again. Here's where you want to be this month.

Saba

All month long, the tiny island of Saba – 12 minutes by plane from St. Maarten – is consumed by the eco-education festival called [Sea & Learn](#). Past presenters have guided rainforest walks to encounter bioluminescent mushrooms at night, and swims with dolphins to learn about echolocation. This is the off-season, so room rates are more affordable.
