Alyssa Milano showed off her 10-month-old daughter, **Elizabella**, using the Dreft Amazing Baby app at the Mandarin Oriental hotel in NYC... **Kelly Osbourne** rocked out to Bastille at the Mercedes-Benz Evolution Tour concert at the Hammerstein Ballroom in NYC.

THE ANTI-HAMPTONS GETAWAY

Though it neighbors New York's celeb-heavy Hamptons beaches, Shelter Island is a relaxing respite from that comparatively bustling scene. And The Chequit — an elegant bed-and-breakfast recently restored by Salt Hotels — is the perfect place to experience the area's rustic charms. A three-building, 37-room inn originally built in 1872, it's been updated with contemporary details and a shabby-chic vibe. For more info, visit thechequit.com.

MARK COMES CLEAN

Mark Wahlberg has long been known for his insanely fit body, but he bares more than that in the new issue of *Men's Fitness*, opening up about his journey from troubled teen to box-office superstar — and the one thing that finally made him change his ways: fatherhood. "I've been able to turn my life around and tell my kids, 'Hey, Dad made mistakes.'" Read more in the August issue of *Men's Fitness*, on sale now.

WEARABLE INSPIRATION

The real key to looking as fierce as **J.Lo** (besides good genes and a great glam team)?

Self-confidence. Sport this peaceloveworld "I LoveMe" T-shirt to a workout, like she recently did, and you'll see the effect immediately. Available in white and black. \$72 at peaceloveworld.com.

FIT TECH

In advance of the store's grand opening on July 18, *Biggest Loser* trainer **Kim Lyons** got a sneak-peek tour of the Verizon Wireless Destination flagship on the Third Street Promenade in Santa Monica, where she took the company's wireless fitness gadgets for a test run.
