W MAY'S MOST WANTED

1. GRAND HOTEL TREMEZZO

grandhoteltremezzo.com
"It may look like Wes Anderson's Grand Budapest Hotel transplanted to Lake Como, but nothing about this landmark's new spa is tired or outdated. Sign me up for a body treatment with a poultice (filled with herbs from the spa's garden) in the hammam, which also features a blade shower and an ice fountain."
 Jane Larkworthy
 Beauty Director

\$995, bergdorfgoodman.com
