RELAX, REFRESH, RECHARGE

Worn out from a long day at the beach? The 40,000-sq.-ft. state-of-the-art **Gem Spa** is the first of its kind in Latin America, using the healing energies of crystals plus Balinese and Taiwanese techniques and practices. Let the attendant guide you through a 10-step hydrotherapy ritual—including a "Pool of Sensations," a clay steam room, a polar pool and more—to boost circulation, rev metabolism and detox the skin and body.

EAT LIKE A LOCAL

Take in a live mariachi band and savor authentic Mexican cuisine at **La Joya**, just off the hotel's main lobby. Don't leave without sampling a melt-in-your-mouth churro or the national drink of choice—tequila—at a complimentary tasting. Fiesta time!
