Armenia & Georgia

Do: Cox & Kings' nine-day "**Armenia & Georgia: Past and Present**" private tour provides a fascinating look at the ancient and modern-day gems of these relatively undiscovered countries. Bookended with visits to the vibrant capitals of Tbilisi and Yerevan, the itinerary makes stops at important historical churches, monasteries, and UNESCO World Heritage Sites, some dating back to the first century. 800-999-1758; coxandkingsusa.com
